MAD SCIENCE IS COMING TO THE BRIDGTON TOWN HALL THIS DECEMBER!

**JOIN US ON DECEMBER 1ST, 2018 @ 1:15 FOR THE
"HOLIDAY SPECTACULAR SCIENCE" SHOW!**

LOCATION: Bridgton Town Hall
TIME: 1:15PM
AGES: All Ages

It's the most wonderful time of the year and Mad Science is going to share it with you! You won't believe your eyes as you try to determine if what you're seeing is magic or science. Don't worry, we'll explain it all as we use our indoor fireworks to create a festival of lights and share our top secret "special ice", shipped straight from the North Pole. It all comes together with our magical no-melt snow. You'll have to see it to believe it!

Mad Science of Maine  105 Main Street  South Portland, ME 04106

For more information on Mad Science Programs call 878-2222 or go online!

Rec Director Notes

Is it really November? I can not believe another year is about to come to a close. We have a great event planned for the annual Festival of Lights on December 1st! I hope that you could join us for all the wonderful events and shows going on in downtown Bridgton this year.

Basketball season has arrived and starting the first week of December the 3rd through 6th grade athletes will start practicing for their season opener scheduled for the first week of January. Kindergarten basketball will start on November 27th at 5:15 at the Bridgton Town Hall and the 1st and 2nd grade basketball athletes will kick off their season at the Lake Region Middle School on December 1st.

Many people are curious why we did not have our annual Thanksgiving Day fitness classes this year at the Town Hall. It really is a fun event and a great way to start the day however this year the annual floor cleaning and resurfacing was scheduled later than usual and therefore we were unable to open the gym on Thanksgiving Day. Do not worry though, SWEAT will return this January!

Believe it or not you are now able to register for Spring Sports at www.bridgtonmaine.org. Signing up early will make our program run smoother and will help us in the organization of our leagues, which in turn will help get practice and game schedules out to families earlier and our kids on the court/field sooner. Bridgton has baseball and softball available for residents, and lacrosse for all Lake Region district youth from K-6.

Karate will be starting its winter session after the holidays so please contact me if you would like to join the program. Mad Science will not have a winter session, however it will return in the spring on Monday's after school. Run Club after its first session finished up just after Halloween and looks to return in the spring as well.

Thank you to all the volunteers that make all of these programs happen because without you it would not be possible! Happy Holidays and enjoy your friends and family!!

Respectfully,

Gary Colello

Recreation Director
