

SALMON POINT CAMPGROUND WAIT LIST POLICY & REGISTRATION FORM

As approved by the Bridgton Board of Selectmen in the fall of 2006, and revised on December 14, 2010 the following policy is in effect regarding waiting lists to acquire a site at Salmon Point Campground, owned and operated by the Town of Bridgton:

Waiting lists shall be kept for Bridgton residents and nonresidents. Bridgton Resident is defined as "any person(s) who is/are eligible to vote in the Town of Bridgton". Selection for an open site shall alternate between the two groups.

As of March 15, 2007, a \$100.00 earnest fee must be submitted with the request to get on the waiting lists to enter the campground. All persons on the waiting lists to enter the campground prior to March 15 were notified of this fee and required to submit the \$100.00 earnest fee in order to maintain their place on the existing lists.

When a person is first contacted for an open site and agrees to occupy that site, the \$100.00 earnest fee will be credited toward the new lessee's site fees.

Upon notification to the person on the waiting list, that person will be given three (3) days to contact the Town Manager or his/her designee, to confirm their decision to accept or decline the site. Failure to respond within the three (3) day time period stated will constitute a "first refusal" of a site by that person. There is no penalty for a first refusal. A second refusal of a site offered will result in removal of the contacted person's name from the waiting lists and forfeiture of the \$100.00 earnest fee to the Town.

If a person on the waiting list requests his or her name be removed from the list prior to the campground's first contact concerning an open site, the Town will refund \$75.00 of the earnest fee and retain \$25.00 for administrative costs. A person on the list requesting removal of his or her name following first contact and prior to second contact for an open site will receive a refund of \$50.00 of the earnest fee.
