

Ordinance Review Committee Meeting Minutes – December 20th, 2018

1. Meeting called to order at 6:30pm
2. Pledge of Allegiance
3. ATTENDANCE: Deb Brusini, Chair; Len Rudin, Vice-Chair; Patti Schulte, Secretary; Cathy Pinkham; Absent: Lee Eastman, Select Board Liaison
4. Approval of minutes from November 15, 2018, 4-0
5. Action Item from November 15, 2018 meeting was answered. In regard to the Alarm Systems Ordinance, the Police Department does the billing for a fine [not the fire department]. The ticket goes to the state, but the money goes back to the town.
6. We discussed Lee's topic from previous meeting about "personal property tax" issue. Not sure if this relates to the ORC in any way, but several of us were unclear about the details of this topic.
7. Reviewed Drafts that Deb presented for Recommendations and Repeal of Ordinances:
 - a. CATV Ordinance – Deb will attach contract if she can acquire
 - b. Bicycle Ordinance – cleared up some wording changes regarding the fines
 - c. Affordable Local Housing Preference Ordinance – reviewed repeal and revised the wording on this in order to present this package to the BOS. (BOS may want to wait until the Land Use Zoning for subsidized housing is established.) ORC voted on repealing this ordinance 4-0.

ACTION ITEMS:

1. Deb will prep and make the wording changes discussed for the repeal on the Affordable Local Housing Preference Ordinance in order to present this package to the BOS, with explanations on the repeal and recommendations.

NEXT MEETING: Thursday, January 17th, 2019 @ 6:30pm

*We will discuss/review the next ordinances: Consumer Fireworks, Control Disorderly Houses, Controlling Nudity

MEETING ADJOURNED @ 8:45pm

Sincerely, Patti Schulte
