Ford Dealership

Re: Bid Addendum

The Bridgton Police Department sent out bid requests for a 2020 Ford Utility Interceptor on June 26, 2019. We have since learned Ford no longer offers the 3.7L V6 for the Utility and am now modifying our bid request to include the 3.0L V6 EcoBoost engine. We also understand the tire has changed as well and will now spec five (5) 255/60R18 all-season BSW full size tires. Due to this change, we are extending the date for the return of sealed bids to Friday, August 16, 2019.

For clarification the Setina Push Bumper Model number PB450L is the bumper with two forward facing blue lights and two side facing blue lights.

If Ford does not offer the white vinyl wrap as factory installed, quote the dealer wrap version.
