Project Description:	Main Street Streetscape Project		
Owner/Client:	Town of Bridgton		
Contractor:	J. Pratt Construction		
Prepared by:	Colin Dinsmore, PE		

Daily Construction Update for Tuesday, October 8, 2019

Demolition of the existing sidewalk, installation of street light conduits and new curb construction is nearly complete on the north side of the road between Highland Street and Portland Road. The contractor will be fine grading the sidewalks and installing light pole bases this week and is planning on starting to pour concrete for the new sidewalks starting next week.

There may be brief closures of driveways as some of the driveway aprons need to be rebuilt to ADA standards but the contractor will work to ensure access is restored as quickly as possible. If any business or property owners have trouble accessing their buildings, please let us know so we can do whatever we can to address your concerns.
