

Recycling Committee Meeting Minutes

DATE: Thursday, August 20, 2020

Members present: Kate, Bob, Donna, Therese, Sally

The meeting opened at 7:08 PM via zoom. Kate made a motion to accept the minutes. Donna and Therese seconded the motion. Minutes approved with the following changes: small d on Dave Madsen's e-mail address, and Nikki Hansen should be changed to Nikki Hamlin.

We had a discussion on multisort recycling for Bridgton. A letter will be composed and sent to the Select Board.

Next we discussed the hauler situation. Good news: haulers are now covering their trucks.

As a result of Therese and Sally's presentation to the Rotary Club, a proposed collaboration between the Rotary Club and the Bridgton Recycling Committee is being explored.

The meeting ended at 8:04 PM. Our next meeting will be at 7:00 PM via zoom on Sept. 10, 2020.
