### **Events**

This month our officers gladly welcomed back the school year with extra patrols of the school zone and bus stops. We have also toured the Elementary school to become familiar with the recent changes and safety updates. We worked alongside of the Maine Fire Marshal's service and Maine Warden's service as they conducted investigations in the area, and we have increased our efforts in traffic enforcement moving from 74 traffic stops in August to 185 stops in September.

### **Personnel**

We received an encouraging level of response to the recent patrol officer opening and seven people have been selected to interview for the position. Once a candidate is selected, a thorough background check will be conducted followed up a psychological and polygraph examination.

### **Training**

During September we were able to send officers to train in some of the following areas: Active shooter response, Motor vehicle liability for law enforcement, Drug interdiction, and Interview and interrogation. We also conducted the yearly firearms qualification required by the Main Criminal Justice Academy.
