

## Emergency Management Agency (EMA) Monthly Departmental Report

July 2020

This past month I have been working on the FEMA reimbursement portal and meeting with FEMA reps to help with navigating the portal thru this Pandemic to maximize our reimbursement amount.

I also attended the monthly EMA meeting for both Oxford and Cumberland county. I applied for and participated in the Homeland Security Grand Program process that each applicant is required to attend, we did not receive a grant this year.

I also attended the Cumberland/Oxford chiefs meeting.
