

# BRIDGTON RECREATION **B** NEWSLETTER

April/Day 2021

## ANNOUNCEMENT FOR FALL 2021

Coming Fall 2021 Bridgton children will have the opportunity to attend the Bridgton Rec Before and After School Enrichment Program! A program that intergrades educational enrichment activities, athletics, arts and drama clubs, outdoor recreational experiences, and more all into before (6AM to 8:30AM) and after (3PM to 5PM) school programming.

### Picture this:

Your child wants to play baseball, try lacrosse, expressed interest in acting and singing, could use a bit of extra help on homework, can not get enough STEM activities, and no question wants to play with friends after school. What if the Recreation Department had a program that could make these things and more happen on regular basis after school? What if your child could stay after school with Rec and in any given week be taken to their team baseball practice or dropped off at their home games, learn basic cooking, participate in a Lego Education program, run around in the "Just Play" In-Season Sport of Day, take part in the production of a school play, kayak on Highland Lake to take a peak at the fall foliage, snow shoe Pondicherry Park in the winter, as well as have access to our daily homework lounge every week!

Your child will be able to attend this program everyday before and after school and most vacation weeks for \$100 (\$5 per day) per month for advance registration or an \$8 per day drop in rate. Do you just need to get to work before school drop off starts? That's ok too, we will have a early morning playground drop off, starting 45 minutes before school starts for \$4 per day. You can go to work early, your child can play with friends and be active before class too! Scholarships will be available as needed!

More details are to come as we get closer to fall. We were just so excited to get the word out and share all about our awesome plans for the families of Bridgton! Children who participate in after school programming are likely to participate in more community-based programs, have the resources available to succeed, and have a safe, positive place to be after school.

# BRIDGTON REC

## PLAY, LEARN, GROW

### Before & After School Enrichment Program Question & Answers

#### **Overview**

The Before and After School Enrichment Program is all about bringing out the best in children with opportunity and create easier access to after school programming for those that need it most. Rec will be centered around supporting a child's growth in a safe positive environment with compassion and encouragement, through free play choice, access to STEM clubs and athletics, community service, gardening club, and other community orientated adventures as well as be involved with Town events like Festival of Lights, Earth Day, and the Haunted Walk.

#### **When would this program start?**

Before/After School Care would begin in September 2021 when the new school year begins.

#### **Where would this program take place?**

Before/After School Care would take place in the SBES Gym and Town Hall. Use of several classrooms will be requested for science club and homework lounge.

Snow Day care will take place at the Town Hall Gym.

#### **What age group will this program serve?**

This program will serve all Bridgton residents with children and/or children who attend Stevens Brook Elementary School/ Lake Region Middle School full time, Kindergarten through 6th grade.

#### **What would the hours be for the program?**

Before School Care will take place from 6A to 8:30A

After School Care will take place from 3:00P to 6:00P

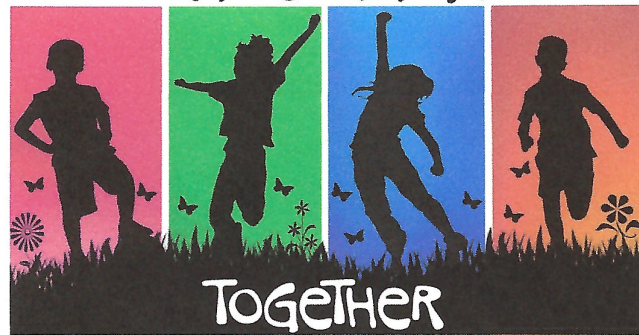

#### **Early School Drop Off Playground Time**

Parents who do not need the Before Care portion of the program can use this to drop their child off early to the playground at the school for just \$4 per day. Children can be active for 45 minutes before the first bell of the morning and be helped to the school door, ready for their day.

Physical Activity before class can help boost confidence, increase focus, reduce stress, relieve anxiety, develop lifelong healthy lifestyles, and more likely to participate in social settings.

# BRIDGTON REC

## PLAY, LEARN, GROW

### **How much will it cost?**

One-Time Registration Fee \$25.00

\$100 per month (Every Day Rec is Open) Advance Registration

Or \$8 per day for specific days

Early Drop-Off Playground Time @ \$4 per day

### **What will a family of four pay for their children's after school program?**

With pre-registration and the need for Monday through Friday each child in attendance will be charged \$100 per month. A Bridgton family of four with two children to use this program for 4 weeks, 5 days a week would cost \$200 a month. With this plan no matter what your child could attend everyday before and after school.

If the family only needs Monday and Thursday (or any combination of days) each week for two children. Their weekly bill would be \$16 per week per child or \$64 per month per child. With this plan families would need to request in advance additional days of care.

Both plans includes both before and after school care.

According to youth.gov attending high-quality after school programs and regular participation can lead to improved social and emotional competencies, including prosocial behavior, intrinsic motivation, better concentration efforts, and higher sense of self-worth.

### **Are there scholarships available for this program?**

As with all Recreation Department programs scholarships are available based on funds available.

### **Will there be food available for children to eat after school?**

SAD 61 and the Recreation Department has worked together to provide food for children in multiple programs. It is more than likely this relationship will continue through this program.

### **What is the child to adult ratio?**

10:1 is the goal however 12:1 is our maximum ratio.

### **What credentials will staff members be required to have to work?**

CPR and First Aid and Safe Sport will be most important trainings.

### **How can this help create opportunity for families?**

The ability to have after school program blend into Recreation will create more opportunities for children to stay after school and develop friendships, explore interests, and have access to food, extra homework help, trusted adults, and a safe place for

# BRIDGTON REC

## PLAY, LEARN, GROW

### What are the types of potential partnerships does this create with other local businesses and organizations?

Working with programs and organizations will be one of the most important components of success of this program. Working with SAD 6r, Loon Echo, SAD 6r Athletics, the Bridgton Community Center, the Bridgton Library, and others alike will create a concrete community-based program.

### Will there be homework help?

The Homework Lounge will be open all afternoon and all participants will spend at least 1 hour a week working on schoolwork. Plans are still being sorted to include local volunteers from various organizations like Team Long Run, Rotary Club, the Literacy Task Force, SAD 6r and the Bridgton Library.

### Is there the ability to transition to different recreation programing? i.e., after school care to baseball practice or to the science program?

The After School Care portion of this program is designed to increase participation in all of our activities. This program will give access to programming, like clubs and athletics, directly after school and later in the evenings. We are operating our program like a Rec Center without walls!!

### What would an afternoon be like for a Bridgton child?

#### Tentative

#### 3:00 PM Attendance & Snack

#### 3:15-4:45 PM Choices Session 1

- A. Soccer / Basketball / Lacrosse / Baseball / Softball / Flag Football / Kick Ball
  - a. In-Season Sports **Just Play** Monday – K-1. Tuesday 2-3 Wednesday 4-5-6
- B. Homework Club (2 separate 30-minute blocks)

#### C. Club of The Day

- a. Drama
- b. Cooking
- c. Garden/ Courtyard Project

#### D. Playground Time or Inside Gym Activity

#### 4:45 PM Snack

#### 5:00 PM Choices Session 2

- A. Team Practices / Home Game Transportation
  - a. Soccer / Basketball / Lacrosse / Baseball / Softball
- B. Gym Activity
- C. Homework Lounge
- D. Crafts / Legos / Board Games

#### 6:00 PM After School Care Closed

- Athletic Events Begin
- Evening Practices
- Clubs Meet

# HELP WANTED THIS SUMMER

Town of Bridgton – Recreation Department Summer Programs (Seasonal)

The Town of Bridgton, Maine Recreation Department is currently accepting applications for the following summer seasonal positions:

## **Lifeguards (Highland Lake, Woods Pond, Salmon Point)**

Applicants must be certified through the American Red Cross Lifeguard/Waterfront certified or become certified before June 15, 2021. Seasonal Full-Time, must be able to work from June 22, 2021 through August 13, 2021.

## SUMMER ENRICHMENT PROGRAM

### ELEMENTARY

June 28 through August 13

K-5 - 7 Weeks - \$125 Per Week

Breakfast & Lunch Included

Weekly Enrichment Trips

STEM Projects

Swim Lessons (\$10 Fee)

Scholarships Available

\*6th Graders May Attend Monday & Friday\*

### TEENS

June 29 through August 12

Tuesday, Wednesday, Thursday

6th-9th Grade - 7 Weeks - \$100

Breakfast & Lunch Included

Multiple Enrichment Trips

Community Projects

Swim Lessons / Hiking / Kayaking

Scholarships Available

Summer Time Is Coming!!!! We are excited to offer Summer Rec with the addition of Teen Adventures for 6th through 9th grade! We will be sure to keep your children busy all day with swimming, hiking, crafts, outdoor games, STEM, kayaking, and enrichment trips. Our goal is your child is ready for a nap when you pick them up! We are active all day and stay moving, but we do tend to enjoy ice cream when it is really warm.

We want our middle school families to have access to programming in the summer and we understand our sixth graders might need full weekly summer care and that is why we will allow 6th graders to attend Monday and Fridays with the Summer Rec Elementary group and on Tuesday, Wednesday, and Thursday attend Teen Adventures. We will also be looking for candidates interested in becoming CIT (Counselor in Training).

Scholarships are available for residents and are based on income. We will work with any family who needs assistance, do not let money be the barrier for your children to attend summer recreation programs! Sign up today space is limited.

# Save The Date

July 3rd  
Fireworks  
Return!!!

**Bridgton Rec Sports Calendar:**  
Visit [bridgtonmaine.org/recreation](http://bridgtonmaine.org/recreation) where you will see a link to see all clinics, practices, and games with live updates on rain outs, cancelations, and changes for your child's sports team!

## BRIDGTON RECREATION New Recreation Programmer

We would like to welcome Leslie Hayes as our new Recreation Programmer! Leslie brings years of experience working with youth including being our lead staff person for our Emergency Day Care program and coaching various sports in the Recreation Department. Be sure to say hi to Leslie as she makes her way around to practices! You can reach her at [lhayes@bridgtonmaine.org](mailto:lhayes@bridgtonmaine.org) or 207-595-9022.
