

BRIDGTON RESIDENTS and ARTISTS SUBMIT IDEAS FOR A MURAL DESIGN!

The Town of Bridgton Arts & Culture Subcommittee is partnering with building owners in the Downtown Districts on our first MURAL PROJECT!

Murals are large-scale paintings that will be designed to go on otherwise blank walls of buildings in our commercial districts.

We are asking all Bridgtonians and business owners to submit ideas, pictures, sketches, or full-blown renderings that would reflect and showcase Bridgton's unique assets, character, landscape, people, history, or other key aspects of this special place. Data has shown that such murals have a positive economic impact on local business activity over and above the beautification of the downtown.

Submittals will be reviewed by the Subcommittee together with the Community Development Advisory Committee prior to bringing to the Planning Board and the Select Board. Reviewing meetings are open to the public. The submission deadline is August 13th, 2021.

**SUBMIT YOUR IDEAS TO GREG BULLARD, ARTS & CULTURE
SUBCOMMITTEE CHAIR AT GSBULLARD5@GMAIL.COM.**
