

Bridgton Public Services Department Monthly Activity Report for March 2022

Well, we've gotten some teases of good weather here and there. I think we are all ready for it. The following is some of what our awesome crew has been up to in the meantime:

Parks Crew & Wastewater

- Built new docks & refurbished the hardware – Highland Beach
- 30-day notices sent out; Billed out sewer accounts
- Rebuilt/fixd float dock – Highland Beach
- Rebuilt and put new decking on float dock – Woods Pond
- Fixed dock – Wood Pond boat launch
- Posted advertisement for Parks position
- Took plywood off doors at Harmon Field
- Read and documented fuel & pump station readings, as usual
- OSHA training handouts provided to Public Works, Parks & T.S. employees. Done monthly.
- Figured materials list for bridge rebuilt at Shorey Park
- All monthly reports were done, including posting to the website pages
- Picked up trash as usual around town
- Started Parks clean up
- Trimmed trees in Munchkin Park

About Town ... Road Crew

- Plowing, scraping dirt roads, salting the roads, filling potholes
- Hauling snow piles
- Completed some road work for culvert drainage
- Serviced the street sweeper
- Cleaned up Lower Main Street, Community Center and Depot Street sidewalks with blower, along with some bridges
- Removed brush from the roads
- Repaired S. High Street sidewalk
- Did some sign repairs

- New grader delivered and completed some light training on the controls
- Started doing sweeping on sidewalks and roads
- Took sidewalk machine to the dealer
- Did some road patching

Lakes & Ponds ...

- Continued to document and publish the lake levels twice per month on the Public Works web page

Cemeteries ...

- Already started to receive grave openings for the coming season.
- Rebuilt top and fixed flag pole – Kansas Road cemetery (*Forest Hills*)
- Trimmed and cut trees at the cemeteries

Transfer Station ...

- Store can be slow dependent on how cold/snowy the weather is, but doing well just the same
- Billed out the Transfer Station accounts
- Bottle room collection reminder mailed out
- Continuing to monitor and make sure those vehicles entering the Transfer Station do have current stickers.
- Plowing from the beginning to the month to mid-month.
- Weekly auctions
- Constant can changes for a total of 18 trash, 9 ss recycling, 3 metal, 6 demo
- Processed refrigerators, picked up and disposed of unprocessed units, moved out back
- Tires were picked up
- Todd from the Parks Department assisted in boxing up TV's and electronics for shipping out
- Constant maintenance/cleaning around the yard, store, etc.

Municipal Building, Community Center, Town Hall, Town Garage, Fire Stations ...

- Built new evidence locker for the Police Department
- Finished garage lockers
- Took plywood off shed and got water turned on and fixed leaks at the Community Garden
- Fixed/secured broken beams – salt shed
