## Status Report

MAY 9, 2022

This memo is a status report of the Project Team's efforts on the Town of Bridgton's Wastewater Treatment Facility Sewer Collection System / Road and Stormwater Projects and describes:

- Highlights of the work completed over the previous two weeks;
- Identification of the work anticipated over the next two weeks;
- Discussion of any outstanding issues that need to be addressed; and
- Schedule updates.

### Completed Work over the Previous Two Weeks

- Continued WWTF resident inspection;
- Continued design of Elm Street and Highland Road sidewalk design;
- Met with Town to discuss next step in EDA's application process for sewer extension project;
- Met with the Town to discuss holding tanks and response to developer for Lakewood Commons; and
- Continued sewer collection system resident inspection.

### Anticipated Work over the Next Two Weeks

- Hold construction meeting for Sewer Work (Sargent) and WWTF (Apex) on May 17 at 10:00am and 11:00am;
- Check with DEP on draft discharge license;
- Submit USDA RD PER and ER to Town for review; and
- Meet with Town to discuss drainage improvements to State aid roads.

### Future Work

- Update draft letter describing specifications required for local contractors to work with businesses and residents for connection installations once local contractor list provided; and
- Discuss potential for additional funding for WWTF with RD once DEP and County involvement is known.
