1. That under and pursuant to town meeting approval of the voters of the Town of Bridgton (the "Town") on July 26, 2022; section 5772 of Title 30-A of the Maine Revised Statutes; the terms and conditions of the United States Department of Agriculture Rural Development by letter dated June 29, 2022; and resolutions by this Select Board entitled "RUS Bulletin 1780-27 Loan Resolution" and "Resolution to Authorize Acceptance of \$1,400,000 Grant for Sewer Project," the Chair of the Select Board (the "Chair") and the Town Manager (the "Town Manager") of the Town, acting singly, in the name and on behalf of the Town, are authorized to accept United States Department of Agriculture grant funding of up to \$1,400,000 and loan funding of up to \$1,400,000 to pay certain additional costs of expanding the Town's wastewater system (the "Project"); and to agree to issue the Town's general obligation bonds or notes in an amount not to exceed \$1,400,000 to fund the loan portion of the Project (the "Bonds");
2. That the Town Treasurer (the "Treasurer") is authorized to prepare, issue, and provide for sale of the Bonds at one time or from time to time, as one or more separate issues, and to determine the date(s), maturity(ies), denomination(s), interest rate(s), place(s) of payment, call(s) for redemption with or without premium, form(s), and other details of said Bonds, including execution and delivery of said Bonds against payment therefor;
3. That the Bonds be executed and delivered by the Treasurer, countersigned by a majority of the Select Board members, and attested by the Town Clerk (the "Clerk") under the official seal of the Town, and otherwise be in such form and contain such terms and provisions not inconsistent herewith, as they shall approve, their approval to be conclusively evidenced by their execution thereof, and that any signature thereon may be by facsimile to the extent permitted by law;
4. That the Bonds be issued in the name of the Town and in registered form transferable only on the registration books of the Town, which registration books may be kept by the Town or its transfer agent, upon surrender thereof with a written instrument of transfer, duly executed by the registered owner or his/her attorney duly authorized in writing;

5. That the Chair and the Treasurer, acting singly, are authorized to arrange for the sale of the Bonds at public or private sale to such parties as they determine to be in the Town's interest, to execute and deliver loan agreements and other contracts for that purpose, and to hire such financial advisors, underwriters, registrars, paying agents, transfer agents, and other consultants, if any, as they deem necessary to assist with the sale of the Bonds, all on such terms not inconsistent with this Resolution as they shall approve;
6. That any of the Bonds may but are not required to be designated as qualified tax-exempt obligations for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the "Code");
7. That no part of the proceeds of the Bonds shall be used, directly or indirectly, to acquire any securities and obligations, the acquisition of which would cause the Bonds to be "arbitrage bonds" or "private activity bonds" within the meaning of Sections 148 and 141 of the Code;
8. That in connection with the Bonds, the Treasurer is authorized to execute and deliver on behalf of the Town an Arbitrage and Use of Proceeds Certificate in form approved by the Town's bond counsel, and to covenant on behalf of the Town to file any information report and pay any rebate due to the United States in connection with the issuance of the Bonds, and to take all other lawful actions necessary to ensure that the interest on the Bonds will be excludable from the gross income of the owners thereof for purposes of federal income taxation and to refrain from taking any action which would cause interest on the Bonds to become includable in the gross income of the owners thereof;
9. That appropriate officials of the Town are authorized to execute and deliver on behalf of the Town such other documents and certificates as may be necessary or convenient to the issuance, execution, or delivery of the Bonds, including without limitation, as may be applicable, Forms RD 400-1, Equal Opportunity Agreement, and RD 400-4, Assurance Agreement; that all such documents and certificates previously executed and delivered are hereby ratified in all respects, including the Certification Approval dated June 29, 2022, Form AD-3031, Assurance Regarding Felony Conviction or Tax Delinquent Status for Corporate Applicants dated June 29, 2022, the Application Conference Certification dated June 29, 2022, Form RD 1942-46, Letter of Intent to Meet Conditions dated June 29, 2022, Form RD 1940-1, Request for Obligation of Funds, the ADA Accessibility Borrower Certification dated June 29, 2022, the Rural Development Application Conference – RUS document of agreements dated June 2022; and that the conditions and terms of the United States Department of Agriculture Rural Development Letter of Conditions FY 2022 Cost Overrun for the FY 2018 Wastewater System Upgrades Project dated June 29, 2022 are accepted and ratified in all respects;
10. That the Treasurer, Chair, Clerk, and other proper officials of the Town are authorized and empowered in its name and on its behalf to do or cause to be done all such acts and things, not inconsistent herewith, as may be necessary or desirable in order to effect the

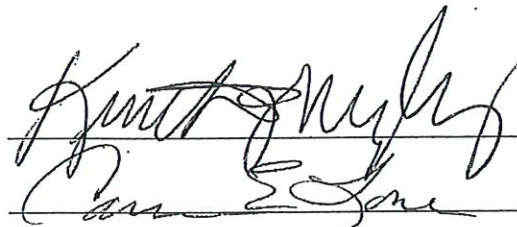

issuance, sale and delivery of the Bonds and the accomplishment of the Project herein authorized;

11. That if the Treasurer, Chair, or Clerk for any reason are unavailable to, as applicable, approve, execute, or attest the Bonds or any related financing documents, the person or persons then acting in any such capacity, whether as assistant, deputy, or otherwise, is authorized to act for such unavailable official with the same force and effect as if such official had himself/herself performed such act;
12. That if any of the officers or officials of the Town who have signed, attested, or sealed the Bonds shall cease to be such officers or officials before the Bonds so signed, attested, and sealed shall have been actually authenticated or delivered by the Town, such Bonds nevertheless may be authenticated, delivered, and issued with the same force and effect as though the person or persons who signed, attested, or sealed the Bonds had not ceased to be such officer or official; and also, any such Bonds may be signed, attested, or sealed on behalf of the Town by those persons who, at the actual date of execution of the Bonds, shall be the proper officers or officials of the Town, although at the nominal date of the Bonds any such person shall not have been such officer or official;
13. That the Treasurer in consultation with Bond Counsel is authorized to implement written procedures with respect to the Bonds for the purpose of: (i) ensuring timely "remedial action" for any portion of the Bonds that may become "non-qualified bonds," as those terms are defined in the Code and regulations thereunder; and (ii) monitoring the Town's compliance following the issuance of the Bonds with the arbitrage, yield restriction and rebate requirements of the Code and regulations thereunder; and

Hi Brenda;

Phoenix and Cornerstone are fine, we have several Boulders, so that would be the least favorite. Thanks!
