

ORC Minutes - October 5, 2022

Attendance

Members Present: Kevin Raday, Deb Brusini, Mary Tworog

Others present: Tori Hill, Keri Montague

Call to Order

Pledge

Approval of minutes from October 5 meeting

Traffic and Parking Ordinance

Deb shared the new red lined document she had worked on making the changes we had discussed at the last meeting. We discussed more changes and Deb will have a new copy for us at the next meeting.

Deb said she would look around town to see if any parking signs had specific hours.

We agreed we should run the next copy by Bob Peabody, Dave Madsen, Glen Garland, and Phil Jones to see if they had any thoughts or suggestions.

We want to invite Phil Jones to the December meeting. We will send him a clean copy of the ordinance beforehand so he has a chance to review it.

Other Business

Suzanne needs a copy of the Ordinance Review Book. Mary and Kevin need updated books. We agreed the agenda should be posted before the actual meeting.

International Building Code: Should it be removed from the town website? Was a repeal already presented to the BOS in the past? Tori said she will talk to Brenda Day.

Phosphate Detergent Ordinance Mary will research Maine State regulations and Federal Regulations. Check with Bob if this needs to be brought to the voters for an appeal.

Next Meeting - November 2

Traffic and Parking Ordinance

Phosphate Detergent Ordinance

International Building Code

Will these be ready for the June Warrant?

Future Meetings

Solid Waste Flow Ordinance - discuss with Brenda Day

Skateboard Ordinance

Safe Zones - review with Chief Jones and lawyer. Does it conflict with state law, do we need signs?

Adjourn
