Select Board Rep – Bob Peabody

- Short meeting
- Action was taken on sewer usage commitment
- Other matters – Public Works, Police and Fire departments did a great job during the back-to-back storms!
- The town will work to get the info out regarding warming centers during storms
- Elm Street sidewalks and Highland Road sidewalks are going to bid this summer
- Work continues wastewater facility and sub stations will be started in the spring
- Application for AARPA funds is in the works and a public meeting will be held when those funds are released

Guest Speaker Mick Early with The Lakes Real Estate

A few factors affecting the market:

- Broadband needs
- Location
