On January 24, Chair Len Rudin presented two ordinances for repeal to the Select Board for inclusion on the June warrant. These are the Phosphate Detergent Ordinance & the International Building Code, both of which have been superseded by State statutes. The Town Attorney has advised the ordinances be repealed to avoid any confusion. This will be the only ordinance activity for the June warrant.

Discussion of the Skate Board Ordinance led to several items of additional information to be obtained before next meeting.

Review of the Traffic Ordinance will continue at next month's meeting to incorporate changes recommended by staff.

A resident, requesting how to get an ordinance amended, was directed to the Public Comments portion of the Select Board meeting as the place to start. Ordinance changes are in the Select Board's purview.
