

TOWN OF BRIDGTON WASTEWATER TREATMENT FACILITY SEWER COLLECTION SYSTEM / ROAD AND STORMWATER PROJECTS UPDATE

Status Report

SEPTEMBER 15, 2023

This memo is a status report of the Project Team's efforts on the Town of Bridgton's Wastewater Treatment Facility Sewer Collection System / Road and Stormwater Projects and describes:

- Highlights of the work completed over the previous two weeks;
- Identification of the work anticipated over the next two weeks;
- Discussion of any outstanding issues that need to be addressed; and
- Schedule updates.

Completed Work over the Previous Two Weeks

- Continued WWTF and pump stations' resident inspections;
- Continued Church Street sidewalk design;
- Held Church Street design meeting with Town on August 30;
- Submitted Opinion of Cost to Town for Church Street sidewalk; and
- Submitted Lateral Service Connection memo, application for connection, and lateral connection details to Town for their use.

Anticipated Work over the Next Two Weeks

- Solicit survey and Geotech quotes for Wildwood Culvert replacement;
- Respond to DEP comments on disposal field well monitoring plan and sampling parameters;
- Continue WWTF and pump stations resident inspections;
- Continue collection system and drainage system punch list follow up;
- Hold construction meeting for WWTF (Apex) at 10:00AM on September 19, 2023;
- Work on spreadsheet identifying individual user connection quantities;
- Solicit contractors for installation of monitoring wells; and
