

TOWN OF BRIDGTON WASTEWATER TREATMENT FACILITY SEWER COLLECTION SYSTEM / ROAD AND STORMWATER PROJECTS UPDATE

Status Report

OCTOBER 13, 2023

This memo is a status report of the Project Team's efforts on the Town of Bridgton's Wastewater Treatment Facility Sewer Collection System / Road and Stormwater Projects and describes:

- Highlights of the work completed over the previous two weeks;
- Identification of the work anticipated over the next two weeks;
- Discussion of any outstanding issues that need to be addressed; and
- Schedule updates.

Completed Work over the Previous Two Weeks

- Continued WWTF and pump stations' resident inspections;
- Continued Church Street sidewalk design;
- Solicited survey and Geotech quotes for Wildwood Culvert replacement;
- Responded to DEP comments on disposal field well monitoring plan and sampling parameters; and
- Met with Town on October 10 to review remaining collection system punch list items.

Anticipated Work over the Next Two Weeks

- Continue WWTF and pump stations resident inspections;
- Continue collection system and drainage system punch list follow up;
- Continue work on spreadsheet identifying individual user connection quantities;
- Solicit contractors for installation of monitoring wells;
- Work on completion of Church Street Sidewalk design for bid solicitation;
- Submit Church Street sidewalk detail around utility pole for Town review; and
