

TOWN OF BRIDGTON WASTEWATER TREATMENT FACILITY SEWER COLLECTION SYSTEM / ROAD AND STORMWATER PROJECTS UPDATE

Status Report

OCTOBER 27, 2023

This memo is a status report of the Project Team's efforts on the Town of Bridgton's Wastewater Treatment Facility Sewer Collection System / Road and Stormwater Projects and describes:

- Highlights of the work completed over the previous two weeks;
- Identification of the work anticipated over the next two weeks;
- Discussion of any outstanding issues that need to be addressed; and
- Schedule updates.

Completed Work over the Previous Two Weeks

- Continued WWTF and pump stations' resident inspections;
- Met with MEH October 24th, 2023 regarding potential connection timeline and proposed sewer extension;
- Continued Church Street sidewalk design;
- Solicit contractors for installation of monitoring wells;
- Conducted wetland survey for Wildwood Culvert replacement; and
- Briefed selectboard on wastewater projects statuses on October 24th, 2023.

Anticipated Work over the Next Two Weeks

- Conduct soil exploration work for Wildwood Culvert replacement on November 2nd, 2023;
- Meet with Town on October 31st to review pending items.
- Continue WWTF and pump stations resident inspections;
- Continue collection system and drainage system punch list follow up;
- Complete work on spreadsheet identifying individual user connection quantities;
- Submit Work Order for Mountain Road drainage study;
