

1. Attendees left comments on 4 vision statements and corresponding informational posters
 - a. Open Space: "Bridgton is a vibrant, rural community with abundant open space resources that are protected and stewarded to sustain residents, visitors and ecological health." "The goals of this plan enable the vision by protecting, connecting, and activating the open space system of Bridgton." (Bridgton Open Space Plan Statement)
 - b. History and Culture: "Bridgton honors the historic quaintness of Main Street, with small businesses, local shops, walkable streets, ample parking, and opportunities to view art and experience local culture. These assets contribute to the small town feel and help position Bridgton as a hub for surrounding communities."
 - c. A Place to Live, Work, and Play: "Bridgton strives to be a community that creates ways for people to live, work, and play locally, by increasing access to diversified housing, educational opportunities, access to recreation and jobs that provide people the ability to thrive in place."
 - d. Healthy Community: "Bridgton supports a healthy community for everyone to have access to a variety of recreational, educational, and social opportunities in our town. We strive to create opportunities to connect to one another in a supportive environment that contributes to social, emotional, and physical wellbeing."
